Upcoming Event

The dark side of leadership

Researcher: Justin Weinhardt, Haskayne School of Business

Industry Expert: Mac Van Wielingen, Chairman, ARC Resources and Chairman, Alberta Investment Management Corporation, Co-founder and Chair of the Canadian Centre for Advanced Leadership in Business

Date: June 2, 2015

Be careful of the charismatic, dynamic and alluring leader. The underlying characteristics that got this leader into the boardroom, and charm you both at work and at fancy dinner parties, might lead to the destruction of your company.

Join us to explore the dark side of leadership and discover the light at the end of the tunnel.
